And breathe...

So the children are back at school - it's now time to turn your attention to you. We have so much to tell you about with lots of exciting promotions and new treatments on offer at Elysium, so why don't you pop the kettle on and browse over our newsletter whilst you decide what to treat yourself too.

Elysium is 2!

We would like to thank everyone that managed to make it to our 2nd birthday celebrations on 24th September. The pink Champagne and homemade cupcakes went down a treat and everyone enjoyed the mini treatments on offer. The party showcased our brand new Shellac nail treatment.

Shellac™ nail treatment

This is a revolutionary hybrid gel-varnish system. The product goes on like a varnish, is set under UV light and lasts like a gel for a guaranteed flawless glasslike finish for 14 days. Shellac is quickly and easily removed and is not detrimental to the natural nail, no filing, no buffing, no infills, no thick gel, just glossy strong beautifully coloured or French style nails. A set of Shellac™ nails will be £25 but the treatment is **on offer until 31/10/11 at just £20.**

This Season's must have!

Since our Birthday we have also launched our new 'Brow Enhancement' treatment including Eyebrow threading. The 'Brow Enhancement' treatment, is a multi-technique procedure for the brow area including waxing, tinting, threading and much more to help achieve the perfect truly defined brow - this season's must have! Usually priced at £25 we are currently offering it for just £20!!! We will also give you a thorough consultation and show you how to make the most of your brows at home between treatments to ensure they are 100% perfect every day.

N.B a patch test is required at least 24 hours before the treatment is carried out. You can also have the threading treatment on other areas of facial hair starting from just £10.

Advanced Waxing

Early November will see Advanced Intimate Waxing being added to our treatment list. The Advanced Waxing service will be available to females only and will include hair removal from the bikini region. The wax used has been specially formulated to grip only the hair and not the skin drastically reducing the discomfort of advanced waxing procedure. Prices begin at £25 for Brazilian finish and from £30 for Hollywood finish with follow up treatments starting from £20. The treatments will be carried out by Claire Stokes who has over 16 years waxing experience.
